

CENTRAL BOARD MEETING
Special meeting
December 2, 1948

RECEIVED
DEC 7 1948
MONTANA STATE UNIVERSITY

The meeting was called to order by the president and the minutes of the November 30 meeting read and approved.

Mueller read a letter from the Sigma Phi Epsilon fraternity in which they expressed strong disapproval of the suggested idea of splitting student attendance at the basketball games to 50% each night as was proposed at the Tuesday meeting of Central Board.

Doris Lund, as a representative of the Budget and Finance committee, reported on their meeting to discuss Kirk Badgley's requests of the Tuesday meeting. She read the following suggestions.. The Budget and Finance committee hereby recommends to Central Board that the income derived from the sale of Student's Wives Activity tickets be pro-rated as the pro-rata share now received by the Athletic Department, Dramatics, Outside Entertainment, and the General Funds as enumerated in the 1948-49 budgets.

Freeman moved that we accept the recommendation, Fox seconded the motion and the motion passed.

The Budget and Finance committee hereby recommends to Central Board that the number of seats allocated for public sale during the Basketball season be increased from 300 to 500, such seats to be located in the North section of the bleachers in the permanent section on the main floor of the men's gym. That furthermore the Athletic Department be authorized to present a scheme whereby one half of the student body will be allowed to see the State College Basketball series on one night, the other half being admitted on the second night--such arrangement to be referred for Central Board's final approval. In lieu of the recommendation submitted by the Budget and Finance committee in regard to seating arrangements for the purpose of raising additional funds for the Athletic program, Shallenberger moved that Central Board underwrite the Athletic program for the year 1948-49 for a maximum of not more than \$1,000 beyond the budget heretofore set up. McCleod seconded the motion. Freeman moved that we table the motion, McCleod seconded his motion and the motion passed.

The meeting was then adjourned.
